**APPROVAL OF TREASURER'S REPORT**

**CHAIRMAN'S REPORT**

Jerry Moeller was unable to attend the meeting. Marshall thanked LifeNet for providing special transportation to a patient and family in need, taking them back to Glencoe. Marshall also let the members know that the Audit is underway and that CBEW would be presenting to the Board at an upcoming meeting.

McCauley let the Board know that the AEDs approved at a recent meeting had been ordered. He shared that he and Ms. Louthan had determined that OSU is not providing AEDs; however, EHS keeps track of the placement of all AEDs on campus. He asked the Board to consider providing the Alumni Association an AED as a large number of people gather in that building frequently. Harris said that they also

received an AED request from LifePoint Church. McCauley requested that an item be added to the agenda each month to approve distribution of AEDs as needed. Marshall agreed to do so. Andrews agreed to check to see if the schools or any public buildings in Glencoe currently have an AED. Harris agreed to email Andrews an AED placement application.

#### **REPORT FROM LIFENET**

Zach Harris reported that the urban emergency response time for January was at 98.1%, rural 911 emergency response time was at 93.8% and the non-emergency response time was at 94.1%. LifeNet completed eight transfers for other EMS agencies, and two transfers were completed by other EMS agencies. 449 calls were received in January. Information on late response calls was shared. Harris updated the members on the details of the statistical information, community education, survey information, and answered questions of the Board members.

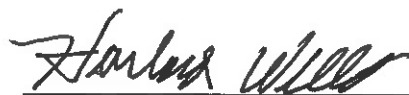

Williams shared reports and graphs from First Pass. In January, 149 charts were reviewed, as well as 17 chest pain/stemi records. He shared compliance by clinical category, 12-lead compliance and survey data.

#### **OTHER BUSINESS**

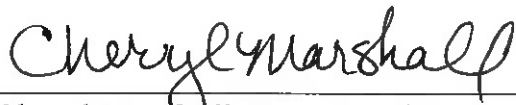

Mr. Wells asked the members to consider honoring the 2010 WPCATA Board members: Jerry Moeller, Gary Clark, Bill Sasser, Rick Jarvis and Rex Horning. This year marks the tenth anniversary of WPCATA. The members agreed that much credit is due to those who worked so hard to establish this service in our community. It has been highly successful. This item will be added to next month's agenda for further discussion.
